The Freestone Cove Walk

AIMS TO PROMOTE POSITIVE BEHAVIOURS THAT OCCUR EVERY DAY IN OUR SCHOOL.

TERM 2 WEEK 9 2016

We learn from each other

Congratulations to the Super Chef winners Ryan & Reuben! All dishes were instantly gobbled up by our fabulous community judges: Dane Poke, Fiona Dowling and Father John! The judges were amazed at the standard of cooking and felt it was a

great opportunity to gain some cooking skills. Well done to these students.

The Freestone Cove walk for Grade 5/6 was amazing. Everyone had a fun time walking with their friends to Fossil Bluff and back to

explore areas of local significance.

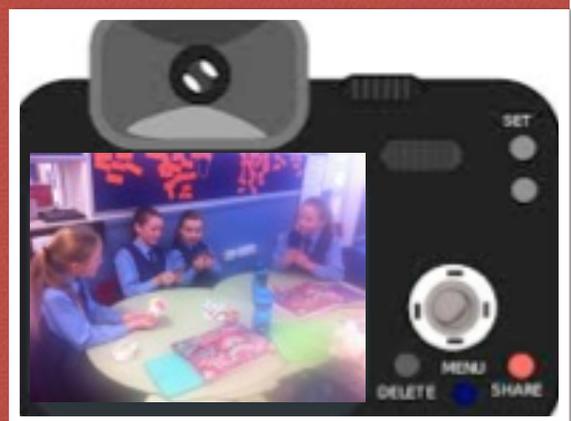

Well done also goes to our Choir and Cross Country participants! We have certainly been out and about in our community this week, making connections and building a sense of belonging.

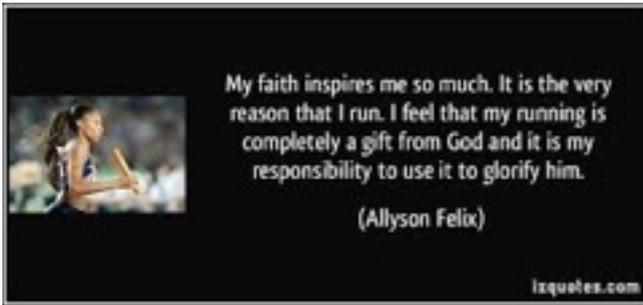

Gotcha in action!

The MJR Focus of the week is:
INSPIRATION!

Inspiration is something that helps us get up in the morning. For example, like a hero, they give you the strength to do, what you do!

School Choir (from Mrs Clarke):

The choir did themselves and the school proud. They performed their items very well and with great composure and enthusiasm, they sounded like angels.

For more than half of the choir, it was their first experience of singing at the Eisteddfod. They held their nerves in check during the performance and it was a very valuable learning experience for them. The students had a wonderful time listening to some of the other choirs singing and learning how we could do some different things in the future. Their behaviour was exemplary and they looked fantastic in their full winter uniform.
