Grade 1 in the pool at their first lesson and Prep enjoy the sunshine outside afterwards

AIMS TO PROMOTE POSITIVE BEHAVIOURS THAT OCCUR EVERY DAY IN OUR SCHOOL.

TERM 1 WEEK 9 2017

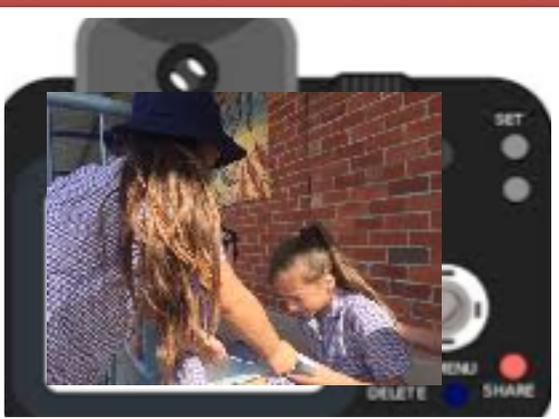

## We learn from each other

We launched our whole school recycling system at Weekly Welcome this week. All classes now have access to their own recycle bin and are encouraged each week to think about their waste and where to dispose of it correctly. Prep-Grade 2 students have enjoyed their daily

swimming lessons at the Burnie Pool. We hope this will assist students become more confident in and around water and improve their swimming and survival skills. Grade 3/4 participated in their Tasmanian Museum and Art Gallery (TMAG) virtual tour today, via Skype,

with Aboriginal curator Teangi. Along with the tour, students were able to get up close and touch the contents of the 'Black Box', containing many Aboriginal artefacts and historical information before it is returned next week.

## Gotcha In Action!

< -----  
Maddie kindly looks after Marliah when she hurt herself in the playground.

Zavier and Sammy play cooperatively during lunch

## MJR Focus

Attitudes are contagious, is yours worth catching?

Interesting people are interested in people, are you an active listener? Happiness comes from doing the right thing, by making the right choices.

there are  
so many  
beautiful  
reasons  
to  
be  
HAPPY.

### **Sporting Achievements: Extract of a live interview with Layne Dixon at Weekly Welcome**

You achieved an incredible result at the recent Catholic School Combined Swim carnival, surely you weren't born a strong swimmer, so tell us what have you done to get to this outstanding level? Well I train with Shane Askew Swimming group every Wednesday night at the Burnie Aquatic Centre.

How hard is it Layne? What does the training entail? We swim about 2km's each night and practise backstroke, freestyle, breaststroke and butterfly. Sometimes we have to get out of the pool and run laps or do pushup exercises.

Can you see any other benefits from your swim training every week? Has it helped you in other areas? I think it's improved my strength and fitness and helped with other sports that I like such as Netball and Basketball.

Would you recommend this to other kids? Yes because it helps you to get fitter, stronger and it's fun!

*Stay tuned next week for an interview with Jacob French*

## Happy Chappy Of The Week

Mataiya has had a great start to the year. She's a friendly, well-mannered class member who always tries her personal best. Well done Mataiya, for your impressive positive approach to learning.

BE HAPPY AND SMILE
