AIMS TO PROMOTE POSITIVE BEHAVIOURS THAT OCCUR EVERY DAY IN OUR SCHOOL.

TERM 1 WEEK 7 2016

We learn from each other

Well done to Grade 3, Miss Maher and Miss Reynolds for organising a wonderful St Patrick's Day Liturgy in the Library on Thursday. All students sat reverently and respectfully participated in the prayers, songs and actions. Did you know St Patrick worked as a

farmer looking after pigs before he decided to study to be a priest?

Our St Patrick's Day sports was a great success with all children participating in a sportsmanlike manner. Mrs McCulloch looked green and sparkly and Mr J had green hair which was a surprise!

Thanks to the parents and staff

who helped set-up and put down the tents to ensure we had a shady place to cheer!

It was great to have our canteen start today! Thanks again to Kristy and Kim.

Don't forget to bring back your Easter Raffle tickets to be in the draw to win fabulous prizes!

Gotcha in action!!!

MJR Focus : Happy Chappy

You can be a 'Happy Chappy'
by being friendly, a good
listener, helpful, humble,
cheerful, forgiving, kind, a
giver, gentle, smiling and
generous.

Congratulations Stephanie
Clarke for helping Mrs Clarke
tune guitars.

Over the course of the
week, staff call on students
to help them perform
various tasks that they can't
do by themselves - it could
be shifting a table
arrangement, carrying
resources or setting up for
assembly.
Each child who helps will
be placed in the draw for
the weekly certificate.

Extra Gotcha's

Eve, Amira, Sophie, Mariah
and Halle, Sammy helped
Ned Taylor the guitar tutor.

Steph and Tyahna-Rose
involved Sammy in their play.

Jason was sun safe during a
game of Dodgeball.

The icy comet sat in the dry grassy meadow me begging me to come closer. I tried to stay away but the urge overcame me. I tried find my way through the meadow but the grass reached up above my head and it was sandpaper against my cheek. Boulders were rolling around everywhere and it was hard to not get knocked over by them but finally I made it to the meteor. To my surprise when I got to the meteor there was a hole about half a metre long and wide with a light at the end of it. I think that if I put my hands in front of me than I would be able to squeeze through but it
