Congratulations to Rueben, Ryan, Stephanie, Amelia, Jason and Nate who are through to the finals!

AIMS TO PROMOTE POSITIVE BEHAVIOURS THAT OCCUR EVERY DAY IN OUR SCHOOL.

TERM 2 WEEK 8 2016

We learn from each other

Grade 6 students did a fantastic job 'cooking up a storm' in their Super Chef competition last week. Mrs Plummer, Mrs Smith and Mr McCulloch had the arduous task of judging and scoring each dish on 3 criteria:

Texture, Taste and Presentation. We look forward to seeing how the finalists perform on Thursday.

Classrooms have been a hive of busy bees this week. We are looking forward to activities over

the next fortnight to celebrate Naidoc Week and engagement with the community.

Keep up the good work everybody as we move towards the end of Term 2!

Gotcha in action!

"You cannot live
a positive life
with a
negative mind."

If you wish to have a positive attitude to life, hang out with positive people. If on the other hand you hang around with the moaners and groaners (at times we all moan and groan) you will be dragged down by that Negative Attitude to people and life.

Happy Chappy of the Week!

Jordan has applied himself this week to his school work. He's focussing on the positive.

Jordan says: "It's not that hard to be happy. I'm choosing to be a lot happier by brushing things off to allow moving forward in my learning".
