TERM 2 WEEK 1 2017

## We learn from each other

Our first Weekly Welcome for the Term highlighted many of the fun things students did during the holidays, particularly for those who participated in the Waratah-Wynyard Tri-Skills program. Many St Brigid's students tried new activities such as pottery,

photography and BMX riding.

The Anzac Day Prayer Liturgy was well prepared and presented by our Grade 3 class. Well Done! Dance Fever started with a bang and coach Michael commented to teachers on how students participated enthusiastically.

Hot Chocolate mornings start next week and now the weather has turned cold we are all looking forward to a warm drink before school!

Please remember to bring along something for the Mother's Day Stall which will be held next Friday.

## Gotcha In Action!

### BE A DEFUSER NOT AN ESCALATOR

When we go into any situation in the playground or in the classroom, do we do things to make the situation worse or do we do things to calm the situation down?

Are we peacemakers of situations or stirrers?

#### Sporting Achievements: Extract of an interview with Jakob French at Weekly Welcome

You've been achieving great results at the BMX club in Wynyard Jakob. Can you tell us a little bit about what you do each week? On Tuesday's after school we have training, so you can get better at riding on the track and learn how to pedal fast on the first straight. We race on Sundays.

What interested you about BMX riding? Well Dad used to do it when he was a teenager and we went over to my Nan and Pop's house to look at his trophy's and that sort of what got me interested. I wanted to win a trophy too.

Have you made new friends? Yes, they go to different schools. Some are faster then me and older and when I get older I'll race at different tracks and get more speed.

Would you like to see lots of other kids enjoying the sport? Yes, you only have to take a bike on the back of a ute and a helmet and gloves, in case you fall off to protect yourself. You feel excited about going and you get better at riding a bike.

## Happy Chappy Of The Week

Congratulations Imogen Terrey from Grade 4. Imogen is always cheerful and happy no matter what. She's a great learner and is always putting 110% into everything she does! Well done Imogen!
