It was great to see our younger students showcase their talents at Assembly on Wednesday. Amira, Eve, Piper and Halle used hula hoops to entertain the whole school for ‘Star Talent’. The girls were very happy to perform and worked together successfully which exemplifies our St Brigid’s values.

Grade 3 & 4 girls were excellent participants in the first MPower session on Monday. It was great to see all girls mixing together, working in small groups and contributing to whole group discussions and developing solid friendships.
