## MPower Girls Grade 3 & 4 workshops

AIMS TO PROMOTE  
POSITIVE BEHAVIOURS  
THAT OCCUR EVERY DAY  
IN OUR SCHOOL.

TERM 3 WEEK 9 2016

## We learn from each other

It was great to have Marty Ogle, the MJR Coordinator, spend the day with Grade 6 students. Marty inspired students to be thankful for their life and grateful for the people who

support them, such as family and friends. Students enjoyed playing team building games and spending time learning how to be a positive role model.

Prep enjoyed the last gymnastics session on Thursday and we thank Emma Fleming for being an excellent instructor and giving up her time to provide a great experience!

## Gotcha in action!

← Noah and Zeke play a game of soccer safely.

→ Brodie helped carry Mr Jackson's classroom resources from the car.

## FRIENDSHIP

Celebrate the happiness that friends are always giving, make every day a holiday and celebrate just living!

Amazda Bradley

QuotePixel.com

We need to treasure our friendships really well. Our friends are very important to us. They help us get through the day and make you have a smile on your face!

### Sporting achievements

Well done to the staff netball team who participated in their first game last Monday, which was a very frosty evening! The game was very competitive and fast paced. Although we lost the last quarter we put up a good fight and next week we are looking forward to a tight match now we have run in our legs!

## Happy Chappy of the Week!

Summer has a contagious smile. She makes people feel welcome and very happy!

Being happy never goes out of style.
