Book Week Assembly

AIMS TO PROMOTE POSITIVE BEHAVIOURS THAT OCCUR EVERY DAY IN OUR SCHOOL.

TERM 3 WEEK 5 2017

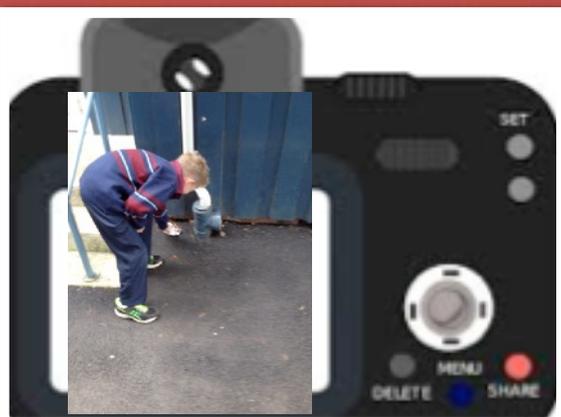

We learn from each other

Kinder, Prep, Grade 1 and Grade 2 enjoyed walking to the Library on Tuesday for shared storytelling during Book Week. Thanks to the staff at our local Linc who made this wonderful experience available to our students. It was great to see all the children embrace the fun of Book Week by

dressing up as their favourite book character. Congratulations to the students who received a free book voucher. The grand final of the Grade 6 SuperChef competition was held today and the competition was fierce. Congratulations to Arlo Taylor & Ryder Shipley

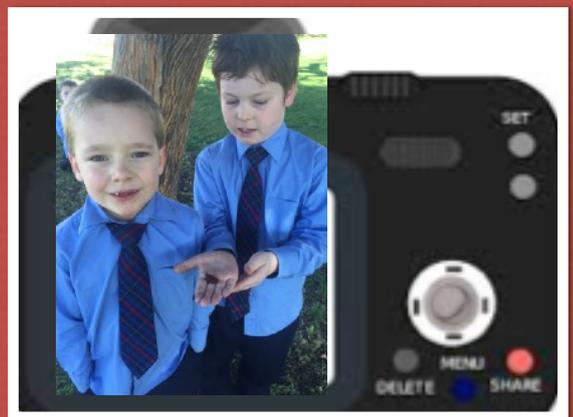

who made an amazing choc brownie with raspberry coulis and homemade ice-cream. Mr McCulloch said the entries were very tasty and it was quite hard to remain focussed in maths while smashing away three desserts 5 minutes before lunch break! #fullbelly #sugaroverload

Gotcha In Action!

← -----
Cooper happily picks up playground rubbish without being asked.
----->

Jack and Cooper find broken glass in the playground and safely put it in the rubbish.

WE DON'T GROW WHEN THINGS ARE EASY; WE GROW WHEN WE FACE CHALLENGES.

Challenges help us develop into mature, stable and purposeful human beings. You can learn to cope with adversities and challenges at any given time. Challenges will stimulate the mind to believe that nothing is impossible. Deep within we all have what it takes to embrace any challenge at any point in our life. Facing challenges head on takes courage and determination.

We cannot control circumstances and some situations are completely out of our hands. We can still become a champion not because of the challenge, but in the determination to respond with a positive attitude.

Grade 5/6 Maths Relay

“On Sunday we went to Penguin District School for a Maths Relay competition. We got into teams of 4 and nominated the first runner. We had 45 minutes to complete 20 questions. The runner goes and gets the question off the marker and brings it back to the team and the remaining three team members work the question out and when finished the runner runs it back. We then swap runners. If you didn't know the answer you could pass but you weren't allowed to go back to that question. We were given paper and pencils to do our workings out. The questions got progressively harder. There was about 15 schools in total from grades 5 & 6. There were word problems, which involved many types of Maths. Interestingly our pencils got blunt very quickly because we were doing so much working out! It was a great experience and we would recommend others to be involved”.

Congratulations Kalin & Harry from Grade 3, receiving the Sacrament of Reconciliation at Somerset Church last Wednesday night.

Prep - Lochy Royle

Grade 1 - Jett Johnson

Grade 2 - Jaiya Donovan

Grade 3 - Sophie Walker

Grade 4 - Indiana Turner

Grade 5 - Luka Summers

Grade 6 - Arlo Taylor

GROWTH MINDSET AWARD

We are excited to let you know that

has demonstrated having a growth mindset.

Someone with a growth mindset says:

- "I can learn to be good at anything that I work hard at"
- "When I'm frustrated I persevere"
- "I want to challenge myself"
- "Failure is an opportunity to grow"
- "I try hard"
- "I have a positive attitude"
- "Challenges help me to grow"
- "I am inspired by the success of others"
- "I learn from the feedback from others"
- "I believe that hard work and effort leads to success"
- "I will learn from my mistakes and make changes"
