Grade 4 work in collaborative teams

AIMS TO PROMOTE POSITIVE BEHAVIOURS THAT OCCUR EVERY DAY IN OUR SCHOOL.

TERM 1 WEEK 2 2017

We learn from each other

Great to see everyone!

We are all excited to be back, learning and spending time with our friends. Congratulations to the students who were voted into leadership positions on the Student Representative Council.

We look forward to meeting as a group on Monday to discuss the role and upcoming events. We welcome all families to attend the badge presentation assembly next Tuesday at 1:45pm. It is great to see all students wearing our

uniform respectfully and playing cooperatively in the playground. This week we have been mindful about our school values: Safe, Respectful, Learners and particularly revisiting our expectations across all areas of the school.
