Happy BBQ'ers - raising money for school camp on the weekend!

AIMS TO PROMOTE POSITIVE BEHAVIOURS THAT OCCUR EVERY DAY IN OUR SCHOOL.

TERM 2 WEEK 9 2017

We learn from each other

Well done to the parent crew who manned the bbq stall on the weekend to raise money for this year's school camp. Special thanks to school staff for all the background preparation, enthusiastic chopping of onions, organisation and set-up - Mrs Stevens, Miss Reynolds and Mrs Plummer.

Congratulations also to members of the School Choir for performing so well at the Eisteddfod on Tuesday. Mrs Bryan was proud as punch on everyone's 'can do' attitude. Mr Jackson praised all students who attended the Combined Schools Cross Country at Simmons Plains

on Tuesday. It was a long tiring day but everyone gave 100% and did their best. Next week is our Dance Fever showcase, Naidoc sports afternoon, SRC morning tea celebration and Grade 6 Seabrook Golf Club experience. We are all looking forward to these fun events!

To Smile

Smiling can change someone's day and lift their mood. It's a little thing you can do to brighten up someone's day. You can change sad, angry, frustrated or confused feelings into happy, with a smile! Smiling is a great sign of happiness and if you're sad, you can smile and it will make you feel better.

BNA representatives U/11's: Launceston Carnival

Congratulations on being selected in the U/11 teams to represent Burnie at the Launceston carnival, what does that involve? "The association put up a notice on Facebook, asking for 11 and under girls to tryout and be willing to go to Launceston, Devonport and Kingston for carnivals. We had two tryout days. They made a shortlist of 20 or so people and then they split us into teams and allocated coaches, Tori Crisp and Jacinta Batt. We trained for about six weeks leading up to the Launceston carnival. We'll train after the holidays to prepare for Devonport".

So, what happened in Launceston? "Charlotte, Bec and Lily were in BNA Black, and Layne and Lucy were in BNA Gold. We played 5 games and it was very tiring. There were two 15 minute quarters for each game".

What did your coach ask you to focus on as a team? "We had to make strong passes in front, run towards the ball and we came up with code words: Banana means cut in front of your player, WAGA, cross over".

Did you get to know other girls from other schools? "Some of us have already met many of the players but we've been able to get to know them better".

Is this something you think other girls will enjoy? "Yes definitely, it was lots of fun and we continue to learn more about the game, dodging and being more accurate with shooting".
